Dated: 14<sup>th</sup> March, 2023

*Dear Madam / Sir,*

As you are aware that Ministry has adopted thematic approach for the Localisation of Sustainable Development Goals (LSDGs) at grassroot level through PRIs. Accordingly, thematic Gram Panchayat Development Plan (GPDP) has to be prepared on revamped portal. The basic purpose of thematic GPDP is to achieve saturation on all SDGs by 2030.

2. To facilitate the preparation thematic GPDP, master GPDP was prepared in the Ministry with the inclusion of activities of all major flagship schemes and circulated to States. SoP was also circulated vide email dated 15.12.2023 for the same. During State/UT level orientation it was emphasised to include activities of all flagship schemes under thematic GPDP, irrespective of Sankalp taken in that theme or not. Hence, to provide ample clarity, it is once again reiterated that:

- (i) All the activities to be implemented / undertaken in a Gram Panchayat under flagship schemes of Central Government must be recorded in their Thematic GPDP.
- (ii) Like-wise activities of State Flagship scheme to be also included in Thematic GPDP.
- (iii) It may be possible that information in respect of all flagship schemes may not be available at GP level. Hence, Block Development Offers (BDOs) may provide requisite information through concerned officials of line department.
- (iv) If information in respect of forthcoming financial year is not available for inclusion in GPDP 2023-24, data of current year (2022-23) may be used.
- (v) A template regarding requisite data of major flagship schemes of Central Government, which will be required for inclusion in thematic GPDP is attached for ready reference(**Annexure-I**).

3. In view of the above, I request your personal intervention and necessary direction to the concerned officials to provide requisite data of major flagship schemes to Gram Panchayats for preparation of thematic GPDP adopting saturation approach.

D. O. No. M-11015/368/2022-CB-Part(4)(29163)

Dated: 27<sup>th</sup> March, 2023

Dear Madam / Sir,

As you are aware that eGramSwaraj portal has been revamped to prepare thematic GPDP, wherein it is necessary to include all the activities being implemented/undertaken in a Gram Panchayat (GP) under flagship schemes of Central and State Government, Own Source of Revenue, CSR funds etc.

2. During the VC meeting held with the States/UTs on 23<sup>rd</sup> March, 2023 to review the progress of preparation of GPDP, feedback is received that GPs are not getting information of flagship schemes needed to prepare thematic GPDP 2023-24 adopting saturation approach.

3. Therefore, to facilitate access of the GPs to the requisite information the best way is to organise 1-2 days' workshop at Block level with active participation of officers of District/Block level along with Elected Representatives and Functionaries of GPs. The concerned officers of line department to attend the Workshop and provide all requisite information of various activities being implemented in GPs under flagship schemes of Central and State Governments, as mentioned in the thematic master GPDP circulated earlier (copies attached).

4. The Block level workshop may be organised during 30<sup>th</sup> March to 10<sup>th</sup> April, 2023 to provide necessary data to GPs and subsequently GPs could prepare their GPDP and upload the same on the portal by 30<sup>th</sup> April, 2023. An indicative format for providing data by the line departments to GPs is at Annexure.

5. I, therefore, would request your personal intervention to issue necessary direction to the concerned officials to organise Block level workshop and to provide requisite data of all flagship schemes of Central and State Governments to GP for preparation of thematic GPDP 2023-24. Information of flagship scheme to be provided for the financial year 2023-24. If the same is not available, information for the financial year 2022-23 may be provided.

Resard

Yours sincerely,

Welcome to eGramSwaraj Portal

eSwaraj is one of the applications developed as part of Panchayati Enterprise Suite (PES) under e-Panchayati Mission Mode Project (MP) of Ministry of Panchayati Raj (MoPR).  
eSwaraj aims to bring in better transparency and strengthening the e-Governance in Panchayati Raj Institutions (PRIs) across the country through decentralized planning, progress reporting and work-based accounting.  
Furthermore, eSwaraj will assist in enhancing the credibility of Panchayats which would induce greater devolution of funds to PRIs as well as provide a platform for effective monitoring by higher authorities.
